

Ozwater'16 Free Trade Exhibition

Ozwater'16 is Australia's premier international event for all water professionals and associated industries. It incorporates a three-day conference with world-class speakers and the largest display in the southern hemisphere of water products, services and innovations. Around 200 comprehensive displays will showcase all that is new and exciting in the industry and will help to keep you one step ahead of your competition. No other event in Australia brings together water information, expertise, products and services like Ozwater does.

THE TRADE EXHIBITION IS FREE TO ATTEND, HOWEVER, REGISTRATION IS ESSENTIAL

To avoid the queues please pre-register your attendance at www.ozwater.org/exhibition (free registration will also be available on site).

EXHIBITION**

WHO SHOULD ATTEND?

If you have an interest or stake in water and the future liveability and sustainability of our nation's cities and communities, then you can't miss this year's exhibition. It will be the only opportunity in 2016 to see a consolidated and extensive showcase from national and international exhibitors of water products, services and innovations.

The Ozwater'16 Trade Exhibition will be of specific interest to -

- Manufacturers
- Commercial Water Users
- Water Utilities
- Water Suppliers and Retailers
- Water Professionals
- Government (all levels)
- Educators
- Microbiologists
- Chemists
- Consultants
- Environmentalists
- Engineers
- Irrigators
- Agricultural Water Users
- Property Managers
- Plumbing Contractors
- Construction Contractors
- Purchasing Officers
- Community Groups
- Media
- Anyone with an interest in water

Water: For Liveable Communities and Sustainable Industries
